NORWOOD NINE TRIMS KEYSER

Martins Ferry, O., Team Here for Two Games This Week.

The Norwood park baseball team defeated the fast Keyser Independents in a poorly played game on the Norwood park diamond Sunday afternoon by a score of 10 to 5.

Although the score was large and the game loosely played many fast plays were pulled by both teams which kept the large crowd which was out to see the game in a good humor, and as first one team and then the other would be leading it kept interest in the game until the last man was out in the ninth.

The Norwood team drew first blood on a walk, a bunt which rolled safe, an error and a single in which two runs were scored. In the third the locals added another on two singles and a stolen base. The Keyser boys hit their stride in the fourth and scored two runs on a couple of hits and several wild throws by the local team.

The lucky seventh was the big inning of the game. In this inning the Keyser team scored three runs and took the lead by one score. In the last half of the inning the locals had a batting rally and five runs were scored before the side was retired, giving the home team a four run lead. The last score of the game was made in the eighth by the locals.

Gregory's saxophone orchestra gave a delightful program of music during the afternoon which was greatly enjoyed by all attending the game.

NORWOOD PARK TEAM WILL PLAY OHIO NINE

Independents in Poorly Played Game at Norwood Park Diamond Sunday.

The fast Martins Ferry, O., baseball team has been booked by Manager Edmund Denham, of the Norwood park team, for a series of games to be played here this week. The first game will be played Saturday afternoon and the second Sunday. Both games will be started at 3 o'clock.

The Martins Ferry team is one of the fastest semi-professional teams in Ohio

and has been plying winning ball all this season. Recently the Parkersburg Independents, which is considered one of the best teams in West Virginia, was defeated in both games of a double header by the Martins Ferry team.

Coach Sackett, of the local team, was not satisfied with the playing of the locals Sunday so he has called practice for every night this week and will try and get some of the players whipped into better shape before the coming series with Martins Ferry.
